STORY: Rahul ART: Kokoy COLOR: Choo

The wedding preparations were going on in the village and Savita and Shobha were both helping out...

I had a lot of fun at the temple, Shobha. What did you do while I was away?

Nothing bhabhi... I just went to sleep very soon.

I can't tell bhabhi that I betrayed her trust by fucking Ashok last night.

We might share many lovers, but doing something like this behind her back was wrong.

A few hours ago...

I'm sorry for what we did last night, bhaiya.

You must promise me never to tell bhabhi about this. I can't break her trust.

Ahh... alright Shobha... it will be our secret.

Why don't you handle the cooking for a while? I just remembered that Kunal uncle wanted to see me about something.

www.kirtu.com

Thanks for all the hot loving that you gave me last night Uncleji.

Are you in the mood for some more right now?

Mmm... I'd love to fuck you but it will be too risky at home.

If you didn't want to fuck then why did you invite me to your room.

These are our ancestral bangles. I want you to go to the brides house and give them to her so that she can wear them during the ceremony.

Alright, but you better come up with a place for us to fuck soon.

Because your bahu is crazy about her sasurji's cock.

Haha... don't worry. I'll figure out a way to fuck you again.

Hmmm... Shobha is busy with the cooking so I'd better go and deliver the bangles myself.

The brides house is just a few streets away.

www.kirtu.com

Soon...

Namastey. I've got a gift for the bride from her in-laws.

A gift. She'll love that. Her room is the first door to the left on the first floor.

You should go give them to her yourself.

Pooja, look at what your sasurji sent... Ohh... why are you crying?

What happened? Why are you crying?

Sniff... you must be Savita bhabhi... Ayush has told me so much about you... sniff...

I'm sorry but I can't tell anyone about this.

Yes, I'm Savita. Don't cry, you can trust me. What's the matter?

Since you are not of this village, I can tell you. I...sniff... my ex-boyfriend is blackmailing me.

What!!! Tell me everything?

Even though I only kissed him once, he's saying that he will tell everyone that we had sex.

He wants me to have sex with him once before the wedding or else he'll ruin my reputation.

Give me his address. I'll go and have a talk with him and find out if we can solve this problem amicably.

www.kirtu.com

Savita soon heads over to Kishan's house...

Is that him? He looks like a village pehalwan.

Look at those bulging muscles... He's got a great body.

Are you Kishan?

Umm...yes...

Damn, who is this hot bhabhi.. She's showing off her sexy breasts in that small blouse.

I want to talk to you in private. Can we go inside your house?

Inside the house... I'm more interested in the melons that she has hidden inside that blouse.

www.kirtu.com

Soon...

Why would anyone believe what you say? I could convince everyone that this is a ploy to break up the marriage.

Ha... I have the letters that she wrote to me. That will prove that we were dating.

Then if I make up a lie about us having sex then no one will doubt us.

I need to get those letters from him or else an innocent girl's reputation will be ruined.

And I think I know just the right way to get them.

You don't love her, do you? You are just mad at her for breaking up with you when you tried to have sex with her.

So...so what? I...I dated her just because she was the hottest girl in the village.

All my friends have lost their virginity but me... They make fun of me...

So this is all just so you can lose your virginity. What if I told you I could provide a substitute for Pooja?

A substitute? What do you mean, bhabhi?

www.kirtu.com

Wow. I can feel that you have a really big cock.

Do you want your first time to be with a girl who won't even know how to handle such a big cock?

Or would you like an experienced bhabhi to make you a man.

I would like... a...a... bhabhi to do it.

What is she doing with her tongue... When Pooja and I kissed it was nothing like this at all?

(giggle) It's been so long since I fucked at virgin. I love the way they get surprised at how good I can make them feel.

That was an amazing kiss bhabhi.. but...but...are you sure about this?

I mean, you are married, aren't you?

www.kirtu.com

(giggle) It's so cute to hear him plead like that...

Teasing virgins is so much fun...

I've never heard of a woman sucking a man's cock like this...

Do all city women do it, bhabhi?

(giggle) Not all cocks. I only suck on big, hard cocks like yours.

Yeahh... use your big breasts to please my cock...

I'll do that.
And don't feel guilty about what happened today. I enjoyed it just as much as you did.

Hey bhabhi, you never told me your name?

I think I'll keep that a secret. I don't want you to spread rumors about me.

(giggle) Just think of me as your average Indian bhabhi

Afterwards...

Here are your love letters Pooja. That man will never bother you again.

Oh my god... you really got them.

You are a life-saver, Savita bhabhi...

It was nothing really... I just helped out a little.

I am so lucky to be getting such a good bhabhi...

From now on if I have any problem, then I'll listen to whatever you say.

What took you so long bahu? I was waiting for you.

I've arranged for you and me to go shopping for some wedding stuff alone.

Now I'll have to fuck Uncleji after shopping is over.

(Giggle) How many more cocks I will have to fuck before this marriage is over?
